Using a Recruitment Agency

Using a recruitment agency has many benefits for a candidate looking for a new job. Ideally, you should work with a specialist in your field. It means the recruitment consultant will only be speaking to prospective clients in your area.

Benefits of using a Recruitment Agency:

- ✓ Recruitment Agencies are a free service
- ✓ Recruitment Agencies allow you to free up your valuable time by chasing roles for you
- ✓ Recruitment Agencies will advise on your CV content and layout
- ✓ Recruitment Agencies will make sure you are best positioned in your market
- ✓ Recruitment Agencies network extensively and will ensure you will get access to the best roles available
- ✓ Recruitment Agencies will prepare you in advance of interview usually with a good knowledge of interview structure and interviewers
- ✓ Recruitment Agencies will follow up after an interview and make sure you are represented to the best of your abilities
- ✓ Recruitment Agencies will negotiate your salary and package
- ✓ Recruitment Agencies will work post-placement and make sure your new employer takes care of you
